To Whom It May Concern,

Re: Professional Reference for John McCullagh Bernard — McCullagh Distribution

I am pleased to provide this letter of reference for John McCullagh Bernard, owner of McCullagh Distribution, on behalf of KCP Concrete Pumps.

John has supported our transportation needs by coordinating the movement of concrete pump trucks and equipment across Canada and the United States. As a manufacturer, we depend on transportation partners who understand the value of our equipment and the importance of delivering it safely and within agreed timelines.

Throughout our working relationship, John has demonstrated professionalism, reliability, and a strong commitment to customer service. He communicates clearly, responds promptly, and takes a practical approach to coordinating deliveries and addressing the challenges that can arise when moving specialized equipment.

We particularly appreciate John's attention to detail and the care he takes when handling our equipment. His understanding of transportation logistics, combined with his flexibility and willingness to accommodate our operational needs, has made McCullagh Distribution a valued partner to KCP Concrete Pumps.

Based on our experience, we confidently recommend John and McCullagh Distribution to organizations seeking dependable transportation services for trucks, heavy machinery, and specialized equipment. We value our relationship and look forward to continuing to work together.

Sincerely,

Stacy Gowanlock
President of Sales
KCP Concrete Pumps
